

ABOUT CFA SOCIETY FINLAND

Founded in 2002, CFA Society Finland is a non-for-profit organization supporting the professional development and advancement of investment professionals in Finland. The primary goals of CFA Society Finland are to engage with members by offering high quality events and networking opportunities and to ensure continuous professional development, as well as to increase the number of members and candidates through involvement with various stakeholders in the financial world.

CFA Society Finland members are finance professionals covering a variety of finance roles from portfolio managers, executives, and analysts to consultants and risk managers. The membership count has steadily increased and at the beginning of 2024 is at 192 members.

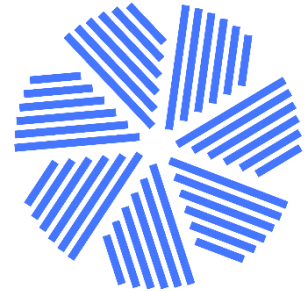

CFA Society Finland is affiliated with CFA Institute that administers the Chartered Financial Analyst curriculum and sets voluntary, ethics-based performance-reporting standards for the investment industry. As one of over 160 CFA Institute member societies, CFA Society Finland connects its members with the world's largest association of investment professionals around the world.

OUR MISSION AND VISION

CFA Society Finland, together with CFA Institute, is an advocate for ethics, education, and professionalism in financial industry. The CFA charter is well recognized and highly valued within the community. CFA Society Finland membership is regarded as a valuable continuum for CFA Program and an excellent network for investment professionals.

ABOUT CFA INSTITUTE

Founded in 1947, CFA Institute is the largest global association of investment professionals with more than 190,000 members in more than 160 markets working to build an investment industry where investors' interests come first, financial markets function at their best, and economies grow.

The Chartered Financial Analyst® (CFA®) program, administered by the CFA Institute, is the most challenging and globally recognized graduate-level curriculum. The program provides a strong foundation of real-world investment analysis and portfolio management skills and practical knowledge. It also emphasizes the highest ethical and professional standards.

CFA Institute provides also other educational opportunities such as the CIPM certification and the Investment Foundations Program designed to give anyone working in financial services a clear understanding of the global investment industry. The Certificate in ESG Investing gives you ability to incorporate environmental, social, and governance (ESG) factors in your skillset.

BENEFITS OF SOCIETY MEMBERSHIP

As a member of a truly global organization with a local focus you can:

- Participate in events and seminars which provide educational opportunities and professional development.
- Enhance your career with networking and social opportunities.
- Develop your leadership skills by volunteering for projects or the Board of Directors.
- Access the global network of fellow investment professionals.

Completing the CFA or CIPM charter programs gives you an opportunity to become a CFA Society member. Membership demonstrates your commitment to the investment profession and to the highest standards of ethical and professional behaviour.
